I'm trying to straighten out my "Wanda" story

please advise what of any of this information is a keeper:

Ph1: 310-919-4278  
Ph2: 818-730-2691  
Ph3: 310-919-4279

mailing addresses for catalogs?

14350 Addison Street  
Apt 103  
Sherman Oaks, CA 91423

Sweetwater Management  
3620 Sweetwater Mesa Road  
Malibu 90265

address to be printed on invoices:  
Amadeo Oluy  
Malabo  
Guinea Equatorial

I have complete info now on James with big note that you're each to receive an email with invoice that has a date stamp, Darren's signature, our corporate seal and to include page numbers for each lot.  
and then overnight the hard original document to James.

So if you would just identify which of the above info is accurate, I will be complete and make sure we take good care of you in the future

Thanks, Wanda - so sorry but I didn't even know James existed, as you had me send it to Malibu after the Macau auction - and I didn't get his request till this morning by which time it had already been sent out to you yesterday. I will keep all his information and make sure in the future we handle it this way unless directed otherwise.

James, I have overnighted the original to Wanda's address in Malibu, as I did last time we did this for you. She should receive it tomorrow - possibly she can get it to you? Please confirm this is possible. Also, as with the previous invoice in October, we do not have a date stamp. As requested I included the Catalog Page Numbers and of course the signature and corporate seal and it is dated.

Hillary,

Please send us the original invoice with date stamp, corporate seal and signature. The corporate seal should leave an impression in the invoice. Need by Friday at the latest so we can process the wire transfer.
